

the DIRECTOR'S CUT™

The Director's Cut™ is a unique International Film Festival, created purely as a vehicle to promote and further the careers of new filmmaking talent

It is formatted as a quarterly Festival where filmmakers may submit their Short Film, Animation, Documentary or Trailer for consideration by the Director's Cut™ Committee comprising of noted members of the film community and film educational institutions. We already have support from the Dean of NYU Tisch and the film departments of New School, Columbia and Hunter. Twenty Entries are selected and screened on the Director's Cut™ website (www.thedirectorscut.org) for a potential audience of millions to vote for their favorite films. The 10 highest scoring films then make it through to the Director's Cut™ Live Event where they compete in front of a live Audience and The Director's Cut™ Panel of Judges comprising of established and celebrity Directors, Producers, Film Critics, Agents and Actors.

We also have the Director's Cut™ Elite screening at Soho House, strictly for industry members to consider the screened filmmakers for possible future projects.
